

PANDORA INDEPENDENT MUSIC SUBMISSION AGREEMENT

We would like to hear your music, and if we like what we hear, we will make it available on our Webcasting Service located at www.pandora.com. To be eligible for your music to be included in our Webcasting Service we will need the following from you:

1. First, you will need to complete and send us this Agreement form along with your CD or CDs. At your election – but we strongly recommend it – you can also send us album artwork and biographical material. Send this Agreement along with your music and other materials to us at:

Indie Submission
Pandora Music Genome Project
360 22nd Street, Suite 440
Oakland, CA 94612

2. Each submission must be a retail CD package with a UPC or EAN bar code and, of course, you must have the right to submit the material to us for our use. Once you provide any material to us, you agree that we will be able to use it on our Webcasting Service without restriction.
3. Please note that you can only submit to us songs and recordings that you are authorized to allow us to publicly perform, either because you own or control the public performance rights for those songs and recordings or you have received permission from the owner of the songs and/or recordings to allow us to webcast them, subject to our payment of customary public performance fees for the recordings and the songs. You also agree that we will have the right to use the artwork and other material submitted by you. We agree that subject only to our rights, you retain ownership in all the materials submitted by you and that you have the right to submit those materials to others.
4. For purposes of entering into this Agreement with us, only one person should sign this Agreement, even though you may be granting us rights on behalf of all members of a group, or even your own artist. Just make sure that you have been authorized to do that by the others involved.
5. Finally, we are not going to return a copy of this Agreement or any of the CDs or other materials, so please make certain that you keep back-up copies of everything in a safe place. If you have questions about this Agreement or the submission process, please feel free to email us at suggest-music@pandora.com.
